## 15th Anniversary Choice

# Bird Robin

Birds Robin have been favored by the crowd for a very long time and be seen as **a symbol of luck**.
Therefore, choosing Bird Robin as one of our **15th anniversary collection** seems to be a distinct decision. It is also our first attempt to launch **Mini Size Paperweight** to be in line with the main feature of Robin birds, nimble yet graceful, making this collection as a Must Have this year!

## 15th Anniversary Choice

# Cockatiel

Being intelligent, nimble and full of personalities makes Cockatiel another great option of Zuny's **15th anniversary collection**. The nimble image of Cockatiel is well-maintained by our craftsmanship as an indication which reminds us there are countless surprises and unknowns to be discovered even if we made a brief stop. So let's keep moving forward and face them all!

# Zuny Series

Zuny Series transforms the original shapes of animals by putting the focus on symbolic characteristics. The simplified but lifelike images enlarge people's creativity and freedom to add meaning to each of the products based on their own stories. The series is more about imagination, self-style, and exists for those who have dreams.

# The Gaze Series

We believe, when a glance is made, there is always a story behind this quiet and special moment. The aim of Zuny's new series - The Gaze, is to freeze the time, build an interaction, and recall all the precious memories. With more sophisticated craftsmanship, you are invited to experience the long-lost warmth, which is so subtle yet more authentic.

# Classic Series

The core idea of the Classic Series is to represent the original beauty of objects. With the help of sophisticated crafts, all the complicated angles are replaced by simplified lines so the style remains genial and familiar, becoming an elegant scene that no one is willing to miss.
