2025 Collection

Leopard Ray

To show the confidence to overcome all challenges, Zuny has chosen "**Fearless**" as the theme and selected the versatile "**Leopard**" as the main character of "**Standing Proudly**". Agile, intelligent, and highly adaptable, it can always handle challenging situations with ease — sometimes even surpassing lions and tigers. With all these talents, leopards are unafraid of change. They often wait for the right moment to act, successfully achieving their goals.

The design of Zuny's leopard Ray features the pattern on its body, transformed through its name, overprinting techniques, and the depiction of its front legs raised in a posture ready to hunt.

Boss Edition - Leopard Ray

As the latest edition of Zuny's collection, the Boss Edition differs from Zuny's classic three - dimensional forms. Boss Edition focuses more on the silhouettes that convey "**calmness and strength**," making the design more impressive in its simplicity and stillness. Therefore, just as its name suggests, the Boss Edition is designed for the strong, waiting for capable individuals to take the reins.

2025 Zodiac Collection

Snake Nick

The brand - new Zodiac - Snake Nick holds the traits of being both implicit and explicit. As one of the dragons' predecessors, it is often referred to as the so - called "**Junior Dragon.**" Hence, encountering snakes is often seen as a sign of good luck. It is also the reason that the main design concept is connected with "**Blooming Flowers and Wealth.**" Letting the flourishing peonies cover its body symbolizes the approach of a prosperous new beginning as well as bringing a year's worth of wealth and blessings.
